Spring Symposium 2020 – Workshop Session Chat and Polls

2B Supporting Dual Credit Students in their next steps

Chat – Introduction

Ken Harrison - SCWI Liaison and Facilitator: Welcome to our session this morning

Diane Cowden SCWI Liaison: Hello Everyone: My name is Diane Cowden and I am your moderator for today's networking session. Please use this chat box to introduce yourself and your role and your institution, board or college

Sarah Zamin: I am one of your facilitators this morning. I am also Co-chair of RPT 7

Chat

Dan Howard: SCWI announced yesterday that post OSSD grads will be eligible for OYAP Level 1 programs next year.

Dan Howard: Fanshawe is considering an after Level 1 advisory process. I suspect that this will be supported by SCWI.

Joanne joanne.harris@ugdsb.on.ca: Looking into using funds to pay for OCAS application fee for any student that has taken a dual credit program and applied to same college --> normally vouchers only available for SWAC and ADC students

David Pope: I'm just looking for some sort of "Transition guide" to help students with their next step since we lose contact with them after they graduate.

Joanne joanne.harris@ugdsb.on.ca: Agreed Dave...

Dan Howard: Maybe we should consider expanding the role of the College Academic Advisor to work with all DC students inclusive of the current after SWAC program.

Colette McNally: Yes

Sharon Estok: Good thought, Dan. Or maybe there is something we can provide through SCWI, sort of an after DC advisor, not just After SWAC

Joanne joanne.harris@ugdsb.on.ca: If bundled dual credit is bundled with coop, then definitely yes.

Dan Howard: In order to support students going to the work force directly from DC we should provide workshops such as resume writing. This may be able to be funded using Activity and Forum funds. Just my two cents.

Colette McNally: SHSM certifications work well for this too

David Pope: Thanks Dan. My email is david_pope@wrdsb.ca if anyone has something they'd like to share.

May Wong: Are there any videos that are about 1-2 min in length that can be posted for students? e.g., Transitions to post-secondary, transitions to work/employment pathway? Students like Instagram

Dan Howard: my email is dhoward@fanshawec.ca if you want to keep in touch with our progress wit this.

Brendan Ross: Brendan Ross - Lambton College Dual Credit Teacher - brendan.ross@lkdsb.net

Krista Gallant: Krista Gallant, Seneca College, RPT2, SCWI Manager, krista.gallant@senecacollege.ca

Joanne joanne.harris@ugdsb.on.ca: Joanne Harris, Upper Grand DSB Dual Credit/OYAP Coordinator, Co-Chair RPT#7 and belong to RPT #2 as well

Joanne joanne.harris@ugdsb.on.ca: joanne.harris@ugdsb.on.ca

May Wong: Yes, I bookmarked the website. But we can't download the videos to post on the school's Instagram

Mark Brotherston: Mark Brotherston, OCT, AST, OYAP Coordinator Thames Valley DSB
m.brotherston@tvdsb.ca

Sarah Zamin: take care everyone!

Apprenticeship programs that were cancelled -- how to support those students even if planning to graduate in June

A greater understanding of what I can do to enhance student supports for dual credit students as they transition to College.

A guide we can share with students with resources or next steps.

Once a student finishes their DC course, how do keep in contact with them and support their transition to post-secondary?

How do we honestly support dual credits during this pandemic with distance/online learning when many students are hands-on learners?

We try to expose them to as many College related services and supports while they are with us as DC students, so they start thinking about things early, or at least know what's available if they come back in future

"How to Apply to College" session integrated into dual credit programs

regular communication from Dual Credit Teachers to support students

The College has provided the Dual Credit teachers access to our course online platform. This allows the DC teachers to monitor students' progress, grades etc.
